

## Logo of the Ministry of Finance

Published: 08.09.2020.

Before using the logo of the Ministry of Finance, we would like you to get acquainted with the single graphical standard of [visual identity](#) which is used for public authorities.

Since the 1<sup>st</sup> of January, 2015 coat of arms of the Republic of Latvia is the basic visual identity component for the public authorities, including the Ministry of Finance. Single modern graphical style logo, based on national symbols of the state which is used within all public institutions, confirms that aim of the public institutions is to work as a single mechanism for the good of society, by obeying values and principles based on Latvian national flag, anthem and coat of arms.

Three basic elements of the new visual identity are:

Coat of arms of the Republic of Latvia
