	10%	<i>for personal income tax</i>	25%	75%	
	14%	<i>for public pensions (non-personalized)</i>			100% <sup>6</sup>

<sup>1</sup> Part of the revenue is transferred to the State funded pension scheme. From 2018, a part of the state social security contribution in the amount of 1% is a payment for the financing of health care, which is transferred into the State basic budget, but the remaining payment for social security remains in the State special budget

<sup>2</sup> As of 1 January 2021, in accordance with Section 13 of the Law On the State Budget for 2021, the distribution of revenue is 25% and 75% (previously 20% and 80%)

<sup>3</sup> As of 1 January 2022, in accordance with Section 28, Paragraph 4.<sup>1</sup> of the Natural Resources Tax Law, the distribution has been changed from 100% in the state basic budget to 90% in the state basic budget and 10% in the budget of the local government in whose territory waste is disposed of

<sup>4</sup> 80% of customs duty revenue are credited to the budget of the European Union

<sup>5</sup> Micro-enterprise tax is split: 80% state social insurance contributions and 20% personal income tax

<sup>6</sup> From 2021, 14% are transferred to the state pension special budget non-personalized, which were registered in the personal account of the taxpayer in 2019-2020, under the Law on State Pensions
